Abuse and Neglect around Elderly People

COURSE OVERVIEW

This training module will assist in providing the knowledge and skills that are necessary to identify the problem areas involving the elderly. Attendees will be able to recognize the signs of several forms of elder abuse and properly identify and investigate alleged reports of abuse. Since elder abuse takes on so many forms, from property crimes to violent crimes, it is important for officers to know how to recognize each of these.

COURSE CONTENT

- ✓ **Understand the types of elder abuse**
- ✓ **Recognize signs and symptoms of elder abuse**
- ✓ **Understand issues affecting the risk of abuse**
- ✓ **Understand how the aging process affects abuse**
- ✓ **Understand how to interview an elderly victim/witness**
- ✓ **Recognize the signs of physical and psychological abuse**
- ✓ **Recognize varying types of injuries**
- ✓ **Understand their role in investigating elder abuse**
