Equality and Diversity

COURSE OVERVIEW

To equip delegates with the knowledge and skill needed to recognise and value diversity in the workplace and work towards eliminating the potential for unfair treatment (which is normally unintentional) through enhanced communication and effectiveness.

COURSE CONTENT

- the different forms of equality and diversity
- the benefits that diversity can bring to your organisation
- the key legislation with regards to equality and diversity
- Understand the concept of equality and diversity

CERTIFICATION

Attendance Certificate

WHO SHOULD ATTEND:

Those working in a diverse workforce or with clients from a variety of backgrounds and for those responsible for ensuring that diversity in the workplace is recognised and positively acted upon.
