Forklift Truck Operator

COURSE OVERVIEW

This course is designed for beginners and experienced operatives alike. Individuals will be taught over the required days (1 day for requalification and 3 days for novice) in all procedures relating to the safe operation of reach or counterbalance Fork Lift Trucks. Anyone who may be required to operate a Fork Lift truck as part of their job role should attend this course.

COURSE CONTENT

- ✓ Basic Manoeuvring
- ✓ Hydraulic system & use of controls
- ✓ Pre-use inspection, takeover & maintenance of truck
- ✓ Load handling-operating practice in open and confined areas
- ✓ Load weight assessment
- ✓ Vehicle loading and unloading
- ✓ This course is assessed through a practical and written test

CERTIFICATION

Successful participants will receive a relevant, nationally recognised license for the appropriate FLT.
