Introduction to Trauma & Recovery

COURSE OVERVIEW

To provide foster carers/staff with a basic knowledge and understanding of their role and responsibilities in relation to the needs of traumatised children and young people.

COURSE CONTENT

- ✓ Recognise the impact of overwhelming stress on child development
- ✓ Think about strategies to enable children to recover from acquired development impairments
- ✓ To recognise the characteristics of a healing environment
- ✓ To analyse the needs of a traumatised child
- ✓ To think of ways to promote healing environments for a traumatised child
- ✓ To identify factors that contribute to resilience and people who can help
- ✓ To understand the links between the physical environment and healing

CERTIFICATION

Attendance Certificate

WHO SHOULD ATTEND:

All foster carers/staff who work with children and who have not already completed this training. Anyone wishing to refresh their knowledge in this area may also apply.
