Strimmer & Hedge Trimmer Operation

COURSE OVERVIEW

This one day course is delivered in two parts. The morning session deals with the safe use of Strimmers and the afternoon session deals with the safe use of Hedge Trimmers. The safety implications of using this equipment are raised throughout the days training. It includes practical training in the correct operation of the strimmers and hedge trimmers and also a classroom-based theory session.

COURSE CONTENT

- ✓ Legislation relating to such equipment
- ✓ Appropriate personal protective equipment (PPE)
- ✓ Identifying types of equipment and their safety features
- ✓ Servicing and maintenance
- ✓ Risk assessment of your work area
- ✓ Pre-start checks and fault reporting procedures
- ✓ Basic operation of the equipment
