## Child Protection

### COURSE OVERVIEW

This one day course is designed especially for those who need a basic grounding in child protection. The course covers what abuse is, how it might be recognised in youngsters and moves on to how and when to react.

Practical ways are discussed to create a protective environment around children to minimise the risk of exploitation by those who could offend. Ways of keeping staff safe from false allegations is also dealt with.

### COURSE CONTENT

- ✓ **This training provides underpinning knowledge towards NVQ Level 3 in Care**
- ✓ **Understanding child protection**
- ✓ **Recognise early warning signs of problems or abuse**
- ✓ **Reporting problems or abuse**
- ✓ **Understanding how working together can help in providing effective child welfare**
- ✓ **Good practice**
