Diabetes Awareness

COURSE OVERVIEW

This half day course is designed for carers or care teams who need to gain an understanding of this topic. The course is designed to clarify varying causes of diabetes. Delegates will develop their skills and gain a basic knowledge in this topic, whilst exploring self help, care interventions and multidisciplinary guidance.

COURSE CONTENT

- ✓ Discuss the courses of diabetes
- ✓ Understand how diabetes affects the body
- ✓ Recognise the signs and symptoms of poorly controlled diabetes
- ✓ Consider the range and variety of problems experienced by people with diabetes
