Elder Abuse

COURSE OVERVIEW

Elder abuse is a serious problem that is still under acknowledged and largely unreported. Cases that do come to light are often dismissed as a domestic issue, in a way that domestic violence and child abuse once were rather than being related to wider issues of discrimination requiring action at all levels. This course aims to raise awareness of elder abuse and how it can be prevented and reported.

COURSE CONTENT

- ✓ What is abuse
- ✓ Who is abused
- ✓ Who abuses
- ✓ Different types of abuse
- ✓ Where does it happen
- ✓ Why does it happen
