Fire Warden

COURSE OVERVIEW

This training covers the Fire Precautions (Workplace) Regulations (as amended) 1997 and the Fire Precautions Act 1971. It requires an employer to assess the suitability of measures currently in place to protect people from the risk of fire. The employer is required by law to provide suitable training for those members of staff who are responsible for assisting in the fire evacuation procedure in the workplace. This course covers the essential knowledge that is needed for this role.

COURSE CONTENT

- ✓ **Fire Triangle and Principles of Combustion**
- ✓ **Risk Assessment**
- ✓ **Building Design and Fire Escape Plan**
- ✓ **Role of the Fire Warden**
- ✓ **Equipment and its limitations**
