# Fire Fighter Safety Training

---

### ***Introduction***

Ask the question “what single event can ruin a business in under one hour” and the answer will be an uncontrollable fire. With insured fire losses in the UK currently exceeding £1 billion per annum, companies, the insurance industry and government are actively seeking ways to improve the UK’s fire safety record.

### ***Aims***

**By the end of the course delegates will be able to:**

- Confidently conduct fire risk assessments
- Maintain fire records
- Advise management on any significant fire hazards
- Assess the suitability of means of escape
- Identify effective practices for managing fire wardens, fire inspections, maintenance of equipment and associated communication issues

### ***Who should attend?***

Staff and operatives with specific responsibilities for fire emergency procedures.  
Those who have completed Module 1 - Staff Fire Safety Training

### ***Course content***

- Fire Safety Management
- Fire Wardens Schemes
- Compiling a Fire Emergency Plan
- Practical Exercises in Fire Emergency Planning
- Combustion & Fire Chemistry
- Maintain Records & Documentation
- Practical Fire Fighting
- Fire Risk Assessment
