## Fire Marshal Course

---

### **Introduction:**

The course will therefore be particularly valuable for those employees who have, or may be nominated for, a defined staff role within the organisation's Fire Management Structure. To provide the delegate with the knowledge and skills required of a competent Fire Marshal.

### **Aims:**

**By the end of the course delegates will be able to:**

- Understand the principles of fire science
- Demonstrate safe and effective use of portable firefighting equipment
- Understand the legal requirements in relation to fire safety issues
- Identify fire safety equipment available in the workplace
- Understand human behaviour in a fire situation
- Understand how fire safety issues should be managed in the workplace
- Be aware of different methods of evacuation
- Demonstrate an understanding of the role and responsibilities of a Fire Marshal

### **Course content:**

Legislation and Codes of Practice  
Principles of fire science  
Fire fighting equipment  
Fire safety equipment  
Human behaviour  
Fire safety issues  
Evacuation  
Roles and responsibilities
